The diagram shows a handheld device with a screen displaying a 'SCHEDULE BOOKING SCREEN'. The screen is divided into several sections. At the top, there is a header bar with the text 'SCHEDULE BOOKING SCREEN'. Below this, the following information is displayed:

SCHEDULED DATE	2003/10/08
SUBJECT	DADDY'S BIRTHDAY
TEL NUMBER	09812345678
NOTICE DATE	2003/10/07
NOTICE METHOD	<input checked="" type="checkbox"/> ALARM <input checked="" type="checkbox"/> MAIL ... AAA@abc.com

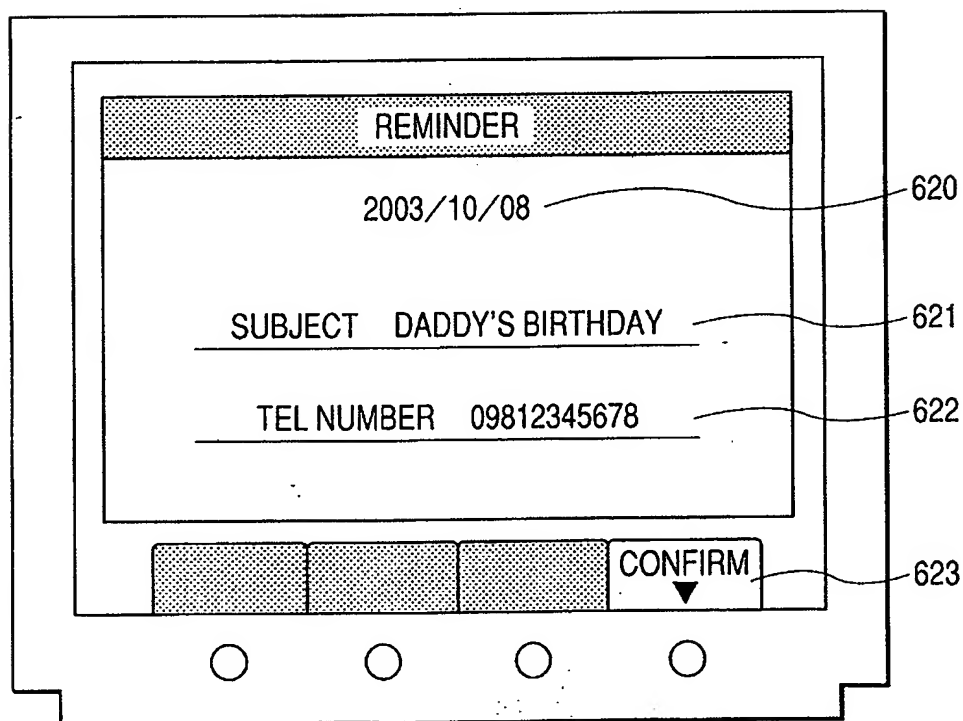

Below the screen, there are four circular buttons. The rightmost button is labeled 'CONFIRM' and has a downward-pointing arrow below it. The entire device is labeled with the number 601.

Labels and callouts:

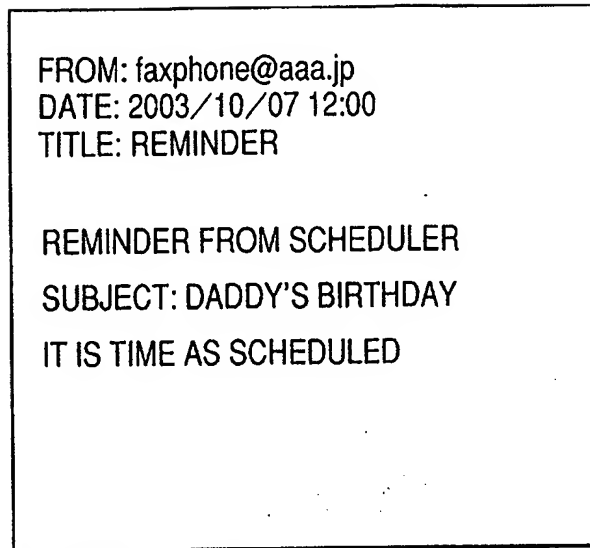

- 610: Points to the 'SCHEDULED DATE' field.
- 611: Points to the 'SUBJECT' field.
- 612: Points to the 'TEL NUMBER' field.
- 613: Points to the 'NOTICE DATE' field.
- 614: Points to the 'NOTICE METHOD' field.
- 615: Points to the 'CONFIRM' button.
